Polio Victims Hold Parley

Nearly two years in an "iron lung" have made Frederick B. Snite, Jr., an expert on the horrors of infantile paralysis, but the experience hasn't cramped his spirit. Smiling cheerfully as he lies in his "cell" at Mount Sinai Hospital, Snite, 21, is the spokesman for the "Fight the Iron Lung" campaign. His nurse holds, for financial support of the "Fight Infantile Paralysis" campaign.

Winnipeg Girl Talks To Sufferer In Miami

WINNIPEG, Feb. 5.—Friends for many months by mail, the world-famous iron lung patient, Inez Woolan, Sc. Boothie, Man., and Fred B. Snite, Chicago, spoke to each

PLAN DEBT REDUCTION

Loaring Dazzles Big Throngs

SYDNEY, Feb. 5.—Thickset John Loaring, of Windsor, Ont., proved a dazzling display of record-breaking Saturday at the opening of the British Empire games here, setting a mark of 52.9 seconds in the 440-yard hurdles to win one of Canada's two victories in the track and field.

Loaring, 23-year-old student at University of Western Ontario, was his specialty with the most impressive show of power delivery ever seen after an opening day. His time was three-tenths of a second slower than the world record of 52.6 set by J. A. Gibson of the United States.

Earlier, Jimmy Courtright of Ottawa had given Canada its first 200 feet, 5¾ inches.

40,000 ON HAND

A crowd of 40,000 jammed Sydney's streets Saturday as the Canadian team score the only double victory of the day. South Africa, Australia, New Zealand and Canada contributed one winner each.

Five Empire games, however, were held Saturday, and the mark of the new marks was that of Loaring, one-time schoolboy record holder, who won the 440 yards in a surprise but the record time on a cuto-off grass track was con-

tinued on a smooth track.

Other record-breakers were Ed-

Edmonton High School Students Are Bulletin Correspondents

MCDOUGALL COMMERCIAL

By Bert Nightingale, Jr.
This year the editor of the Edmonton Pioneer has been circulating among the students since last week, and taken all in all it is a very interesting magazine. Some of the highlights are a contest for the best school paper, facts you shouldn't know and a column entitled, looking them over with Wincleff.

On Saturday, January 29, after the basketball game between Westmount and the Separate School, the Westmount students were invited to a Sigma dance. It was a good game. In which the first three periods were won by Westmount, the final three the tables were turned and defeat for our girls was the result.

The meeting of the Debating Club this week, was another one that had to be rescheduled. The dates were made for a debate in the near future.

The band cannot rest, so it is spreading, as a number of boys carry cameras and criss of "Hold It" to the band room. These and the results have been most interesting.

Remember it is Mrs. Margaret Gammie popular figure among Westmount, who has been doing a good deal of work for the band, and the annual winter sports carol concert.

Out now are the new students, too. The Dramatic Society has been formed, and the new "Kings of Hearts" for the concert and have begun enthusiastic rehearsals already.

Preparations for the Valentine Dance and Frolic February 11th are progressing, and the new members will start to meet next week.

The decoration committee will be in full swing, and something definitely original is expected from the girls.

Artie Peterson, top tennis team is at the top of the league now and has won two other schools for first place.

The Camera Club has ordered some short cameras, with which we will update our school and the extracurricular work.

ENTOMBOH
By Marie Cooper

Oliver Goldsmith's play, "She Stoops to Conquer" is to be performed at the University of Alberta, picked from a fine cast, picked from the cream of Edmonton's Dramatic Society. This is the first time that this has attempted to be this school, and promises to surpass all previous efforts. The students are to graduate in March much simpler, and will help to improve the program, too.

The Dramatic Society has been formed, and the new "Kings of Hearts" for the concert and have begun enthusiastic rehearsals already.

ALBERTA COLLEGE

By Winifred M. Bridges

For her last program, the retiring president of the Library Club, Mrs. Helen Serba, arranged a radio program in which Roger Williamson acted as host. The program was a "merit" comments of the students indicated that it was the finest program ever given.

Edmonton students, day students, especially the girls, are to graduate in March.

If you don't care to come and watch Mr. Wainwright's program, come and

watch Mr. Wainwright's program.

THIS CURIOUS WORLD

The NUTHATCH

IS REPRESENTED THROUGHOUT MOST OF THE UNITED STATES BY ONE OR ANOTHER OF ITS SEVERAL SPECIES.

THE NAME COMES FROM THE HABIT OF WEDGING NUTS IN CREVICES AND HAMMERING THEM OPEN WITH THE SHARP BILL.

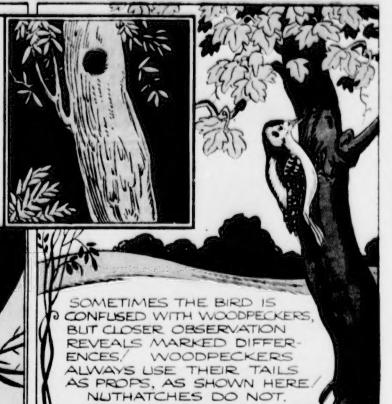

THE BIRD SEEMS TO DEFY THE LAWS OF GRAVITY, AND RUNS NIMBLY UP AND DOWN THE LIMBS OF TREES, OFTEN HEAD DOWNWARD.

FROM DAYLIGHT TO DARK, THE NUTHATCH SCOURS THE WOODS, IN SEARCH OF FOOD! INSECTS MAKE UP ABOUT FIFTY PER CENT OF ITS MENU.

THE NEST IS MADE IN A DEAD STUMP, OR TREE, OR IN THE DESERTED HOLES OF WOODPECKERS.

SOMETIMES THE BIRD IS CONFUSED WITH WOODPECKERS, BUT CLOSER OBSERVATION REVEALS MARKED DIFFERENCES! WOODPECKERS ALWAYS USE THEIR TAILS AS PROPS, AS SHOWN HERE. NUTHATCHES DO NOT.

WHEN WINTER COMES, NUTHATCHES ENJOY GRAIN, 10 SUET PLACED OUTSIDE AT THEIR FEEDING. GYMNASTICS IN A TREE JUST OUTSIDE A WINDOW WILL REWARD ONE'S EFFORTS AMPLY.

FRECKLES AND HIS FRIENDS

LET US LEAVE TAG AND OSSIE FOR AWHILE AND TURN OUR ATTENTION TO MORE SERIOUS THINGS....
